

CLASSROOM PARTIES

As you read in the September "Adventures in Austinburg," we are allowed to have four parents in our room for each classroom party. One parent would be in charge of organizing the party and the other three parents would help run the party. These four parents would receive visitor badges when they arrive for the party. All food donations must be in a manufactured and sealed package with ingredients listed. Fruits and vegetables are allowed. No homemade items will be permitted. Parent volunteers are not permitted to bring other siblings. Also games and crafts instead of food items are encouraged.

Please indicate below if you would like to be the head parent for a party, a party helper, and/or donate items for any party/parties. Your help for these events is deeply appreciated.

Thank you,
Roberta Gray and Class
