Intervention For All Students

This year we have been granted Title I funds to hire two intervention tutors. With these two extra people in the building, we are able to have intervention in every classroom for reading and math. When your child is receiving instruction, there are two teachers available to help explain the concept or clarify information if he/she does not understand the concept that was taught. Last year, in order to make learning a priority, our Building Leadership Team recommended that we look at new ways to provide more help for students to receive more instruction when needed. So this year we scheduled 20 minute blocks of intervention time two days a week for each classroom teacher to work with small groups. The gym and music teachers do activities with the rest of the class to free the classroom teacher for more individual instruction. The children who receive this intervention still receive their regular PE and Music time.

Fall Parents/Teacher Conferences

Keep your calendars open for fall Parent Teacher conferences. Kindergarten thru 5th grade are scheduled from **4:30-8:00. November 11th and 15th.**

Safe School Procedures

As part of Safe School Procedures we will conduct lock down drills along with fire and tornado drills. Teachers will remind students about lock down procedures and discuss these drills, so that students can be at ease for these very important procedures.

Giant Eagles' **Apples for Students** begins October 1st and ends March 19th. **Our school ID is 0035.** Please call 1-800-474-4777 and sign up today. Our school will earn points each time you scan your card at Giant Eagle.

We will be saving **box tops for education** as well as **Campbell soup label points** again this year. You can turn them into the office. There will be a flyer coming home about a drawing sponsored by AESA.

Absence Calls and Notes
