There's a new baby at our house.  
Things just haven't been the same.  
If he's not crying, he's eating  
Or getting his diaper changed.

Mommy's nice lap still hasn't come back  
And when it does, she'll be rocking him.  
I'm going to state my case.  
Get him out of my place.  
Call my mom and dad in.

And I'll say, "That's that!  
I think we should take him back.  
I just can't stand it anymore."

"I'll get his coat and hat.  
His diaper bag's all packed.  
We'll take him back to the baby store."

"I hope you kept the receipt.  
We can say that he is sweet.  
But I thought he was a little too fat."

"Don't tell them he cries.  
That can be a surprise.  
We'll trade him for a kitty cat."

Well mom and dad love this baby.  
He's one of their pride and joys.  
They've got a big card out in the front yard;  
It says, "IT'S A BABY BOY!"

Well I guess he's sweet  
When he's asleep.  
But when he cries,  
Oh, he sure can wail!

I got some markers of mine.  
To their baby sign I added the words:  
FOR SALE!

And I said, "Oh, no,  
He's going to have to go.  
It's just the way I feel."

When the doorbell rings;  
I'll handle everything.  
Because I've watched  
*Let's Make a Deal.*"

And since mom and dad don't get much sleep.  
Their minds are kinda in a fog.  
"Well I'll trade you for nursery door #2  
If you've got a puppy dog."

Adjustments don't always come easy.  
I guess I'm doing alright.  
He's not so bad.  
In fact, I'm kinda glad,  
If he'd just learn to sleep at night.

And mommy's nice lap is starting to come back.  
I'll tell you one thing I've found.  
She said that I'd see,  
And I have to agree,  
There's lap enough to go around.

And I said, "Oh, yes,  
He can stay, I guess.  
He's part of the family."

"He may be small.  
But in no time at all,  
He'll be playing with me."

"Oh, a dog and a cat  
Can't love you back,  
Like a baby brother can."

"I can make him laugh.  
Grandma says it's just gas,  
But I know he understands."

Yes, I know he under...  
I LOVE THAT BABY  
BROTHER OF MINE!  
I know he understands!

# I Wish You Well

© Jack Hartmann and Becky Bailey

My heart to your heart  
I wish you well.  
My elbow to your elbow  
I wish you well.  
My back to your back  
I wish you well.  
My eyes to your eyes  
I wish you well.

How can we help everyone we know?  
How can we help each other grow?  
Sometimes it's hard to know what to do.  
Wishing them well connects me and you.  
Wishing them well connects me and you.

My heart to your heart  
I wish you well  
My elbow to your elbow  
I wish you well  
My back to your back  
I wish you well  
My eyes to your eyes  

---

I wish you well.

How can we help everyone we know?  
How can we help each other grow?  
Sometimes it's hard to know what to do.  
Wishing them well connects me and you.  
Wishing them well connects me and you.

You make a difference  
Let's move and wish your neighbor well.

My knee to your knee  
I wish you well.  
My shoulder to your shoulder  
I wish you well.  
My hip to your hip  
I wish you well.  
My hand to your hand  
I wish you well.  
I wish you well.  
I wish you well.
