Context Clues Post-Assessment

1. Write an original paragraph about a topic of your choice. In that paragraph use context clues to help identify the meaning of words in the paragraph. You should use at least one example of each of the following types of context clues: comparison, contrast, definition, restatement and example.
2. After completing your paragraph, complete the table below, listing your words in the appropriate row of the table. Identify the words for which context clues were provided and for the context clues that could be used to figure out the meanings of the words.

Type of Context Clue	Word	Context Clues Provided
